

Real Good Time

Sometime, someplace
Everybody has words
Falling out, making up
Uh huh

Maybe I laugh, maybe I cry
Maybe I scream, maybe I sigh
Baby I feel the feeling is real
Maybe I curse, maybe I squeal
But I enjoy making some noise
Fooling around, listening to sound
When you and I get
And everything's set
We surely know how to have a real good time

(one, two, three, four)
You and I are not to blame
Sometimes we just go insane
You and I have much to give
Everything is relative
When we have our darker days
We just go our separate ways
You and I are not to blame
Sometimes we just go insane, yeah

Sometimes baby in your eyes
Love is truly justified
When I hear you telling lies
I just want to terrorize
Making up is oh so good
Yeah we rock the neighborhood
You and I are not to blame
Sometimes we just go insane, yeah

(one, two, three, four)
[Chorus]
A real good time (x 3)
La la la (sung as verse)
Chorus repeat
